

HV LEAH 2026 GRADUATION AUCTION DONATIONS

In an effort to make our graduation ceremony more affordable for our families, we are going to have a little fun!

What: An online Auction

Who: Anyone who wants to participate

How to donate:

1. Donate an item or service.
2. Take a picture of your item or create a visual of your service.
3. Name your donation and write a short description.
4. Send it to Robin Wheatley at wheatley.robinsL@gmail.com with the title "Online Auction Donation."
5. Your donation will be added to a gallery page on the HV Leah website.
6. During the "bidding window," people will be directed to the site page. Your item will appear with a short description and a number. People will then bid on your item.
7. You will be given contact information for the person who won your donation and will be able to make arrangements with them.

If you don't have a donation but want to help:

1. Do you know of a business or person who may donate to our cause? Please give them a copy of this flyer.
2. Be prepared to bid on the donated items. A separate notice will be sent giving the dates that the auction will be open, as well as how to log on and bid.
3. If you don't want to participate in the auction, but would still like to help us monetarily, consider logging on anyway and pledging an amount of money.

Donations need to be submitted by February 9, 2026.

The Auction will go live on February 16.
